

The technical drawing illustrates a road project in Sobradinho. It features a bridge structure labeled 'PONTE' and a drainage ditch labeled 'ARROIO QUINCA'. The bridge is shown with a cross-hatched pattern and is flanked by green lines representing the road boundaries. The drainage ditch is shown as a blue line. The drawing includes a north arrow and stationing markers (E1 to E6) along the bridge. The bridge is labeled 'PONTE' and 'ACESSO À RUA ATALIBA CARRION'. The drainage ditch is labeled 'ARROIO QUINCA'. The drawing also shows a building at the end of the bridge. The metadata box at the bottom right contains the following information:

- MUNICÍPIO DE SOBRADINHO
- SECRETARIA MUNICIPAL DE PLANEJAMENTO
- PROJETO: PAVIMENTAÇÃO DE VIAS
- PROJETO DE GEOMÉTRICO
- LOCALIZAÇÃO: ACESSO AO TREVO DA FEIJÃO - SOBRADINHO
